EDGE-35

MAGNETIC DRILL MACHINE

POWERFUL • PRECISE • RELIABLE

TITANEX EDGE-35 is a compact and powerful magnetic drilling machine built for precision, durability and maximum performance.

KEY FEATURES

Powerful Magnetic Base

Strong 16,000 N holding force for maximum stability

High Performance Motor

1500 Watt motor for efficient and consistent drilling

Precision Control

600 RPM no load speed with adjustable stroke

Built to Last

Robust construction for long life and reliable performance

TECHNICAL SPECIFICATION

	Model No.	EDGE-35
	Annular Cutter	12 mm – 35 mm
	Twist Drill	1.5 mm – 13 mm
	Motor Power	1500 Watt
	Magnetic Force	16,000 N
	No Load Speed	600 RPM
	Stroke	Adjustable
	Spindle Connection	19.05 mm
	Power Source	220–240V
	Weight	10.5 Kg

IDEAL FOR

STEEL
