

EDGE-50

MAGNETIC DRILL MACHINE

POWERFUL • PRECISE • RELIABLE

TITANEX EDGE-50 is a high performance magnetic drilling machine designed for heavy-duty operations with precision, durability and safety.

KEY FEATURES

Powerful Magnetic Base
Strong 25,000 N holding force for maximum stability

High Performance Motor
1800 Watt motor for efficient and consistent drilling

Precision Control
500 RPM no load speed with adjustable stroke

Built to Last
Robust construction for long life and reliable performance

TECHNICAL SPECIFICATION

	Model No.	EDGE-50
	Cutter Capacity	12 mm – 50 mm
	Twist Drill Capacity	1.5 mm – 25 mm
	No Load Speed	500 RPM
	Stroke	Adjustable
	Motor Power	1800 Watt
	Magnetic Force	25,000 N
	Spindle Connection	MT3
	Power Source	220–240V
	Weight	18 Kg
